ABOUT US

Kiyan Export is a trusted name in the manufacturing and export of premium herbal extracts, nutraceutical ingredients, essential oils, and aromatherapy oils. As a forward-thinking and innovation-driven company, we are dedicated to supporting our clients in strengthening their existing product lines and creating new opportunities in the nutraceutical industry.

With advanced capabilities in extraction, isolation, purification, synthesis, and fermentation, we ensure high-quality production backed by modern technology and strict quality control systems. Our experienced team and efficient processes allow us to deliver consistent and reliable products across global markets.

Elevate Your Health with Herbal Essence.

At ***Kiyan Export***, we harness the power of nature through premium herbal extracts and nutraceutical ingredients. With advanced processing and strict quality standards, we deliver reliable solutions that support wellness and elevate everyday health.
